

PENNSYLVANIA EDUCATION POLICY
FELLOWSHIP PROGRAM
2014-2015

SESSION # 3 AGENDA

Friday, December 5, 2014

Pennsylvania Association of School Administrators' Headquarters

2608 Market Place, Harrisburg, PA 17110

Ready for Success in College, Career and Citizenship

☞ One of the reasons that education policymaking is often so contentious is that policymakers and the public do not always agree about our educational goals. This session focuses on different views of what may be required for an educated citizenry and an educated workforce and what we mean by success in pre-kindergarten through 12th grade. ☜
