

## Linda Woods Huber

Linda Woods Huber is the Executive Director of the Pennsylvania State Association for Health, Physical Education, Recreation, and Dance (PSAHPERD). She holds a Bachelor of Science in Health and Physical Education and a master's degree in Management from Penn State University. Linda works with professional development programs across the nation and specifically in conjunction with the Pennsylvania Department of Education. She develops and provides professional training opportunities in quality Health and Physical Education for teachers in Pennsylvania. She taught Health and Physical Education for 10 years, and coached field hockey, basketball and gymnastics. Linda is a coalition member of the Arts Council and Committee for Dance Endorsement.
