

PENNSYLVANIA EDUCATION POLICY FELLOWSHIP PROGRAM 2016-2017

SESSION #2 AGENDA

Friday, November 18, 2016

Pennsylvania School Boards Association's Headquarters
400 Bent Creek Boulevard, Mechanicsburg, PA 17050
Ready for Success in College, Career and Citizenship

☞ Education policymaking at the state and district level is often made more challenging because among the public and policymakers there are often different views and priorities about educational goals as well as strategies. This session focuses on different views of what may be required for an educated citizenry and an educated workforce, and what it means for a student to be "ready for success" in school, career and citizenship. ☞
